

Leaned on my friends for  
comfort,  
Instead found earth as my  
only beloved companion.

Wandered all the worlds  
yearning for a true  
friend,  
Instead found earth as my  
only beloved companion.

Aşık Veysel Şatıroğlu

*Hey Erenler, come to my bazaar  
I sell tranquility to those who seek  
There is no balance nor a scale  
I sell honey by the bushel!*

*Come, whoever you are,  
Wanderer, idolater, worshiper of fire,  
Come even though you have broken  
your vows a thousand times,  
Come, and come yet again.  
Ours is not a caravan of despair.*
