

HOW H2HA/GGA USES YOUR DONATIONS

Your valuable donations are used to fund disadvantaged students from Anatolian origin (from Turkey) to pursue their graduate studies for masters degree (MS), and Ph.D. Degree, as well as MD in the United States. The students are selected primarily on the basis of their qualifications with regards to academic achievements, their family roots embeded in Anatolia, and their financial situation. H2HA also provides financial support for qualified students to take English Courses to enable them to pass TOEFL tests if they have been already admitted to a graduate program conditionally.
